

Computer Controlled Brass Machined Components Customized

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Processing_method: CNC Machining
- Payment_term: T/T, PayPal, Western Union
- Dimension: Customized
- Port: Shenzhen
- Material: Brass
- Supply_ability: 10000 Pieces/Month
- Surface_treatment: Polishing
- Weight: Customized
- Highlight: **Computer Controlled Brass Machined Components**
, Customized Brass Machined Components

Product Description

Product Description:

CNC Brass Parts are computer-assisted, CNC-fabricated, and CNC-manufactured brass parts that offer superior quality and durability. The parts are available in a variety of surface treatments and colors, and can be customized to meet specific customer requirements. With a supply ability of 10000 Pieces/Month, these brass parts are perfect for applications that require precision and accuracy. The material used for the parts is brass, a highly durable and corrosion-resistant alloy. The parts can also be polished for a smooth surface finish and customized for unique dimensions.

Features:

Product Name: **CNC Brass Parts**

material: **Brass**

dimension: **Customized**

tolerance: **±0.01mm**

supply_ability: **10000 Pieces/Month**

delivery_time: **7-15 Days**

Computer-controlled Brass Parts

CNC-machined Brass Parts

Computer-aided Brass Parts

Technical Parameters:

Technical Parameters	Details
Color	Customized
Application	Electronic Components
Delivery Time	7-15 Days
Port	Shenzhen
Weight	Customized
Processing Method	CNC Machining
Package	Standard Export Package
Material	Brass
Supply Ability	10000 Pieces/Month
Tolerance	±0.01mm
Special Focus	Computer-controlled Brass Parts, Computer-simulated Brass Parts, CNC-machined Brass Parts

Applications:

Product Features of Ywy CNC404 Brass Parts

Brand Name: Ywy

Model Number: CNC404

Place of Origin: Guangdong, Huizhou

Processing Method: CNC Machining

Delivery Time: 7-15 Days

Dimension: Customized

Material: Brass

Supply Ability: 10000 Pieces/Month

Computer-programmed Brass Parts

CNC-manufactured Brass Parts

Computer-assisted Brass Parts

Ywy CNC404 Brass Parts are the perfect choice for a variety of industrial and commercial applications. With computer-programmed, CNC-manufactured, and computer-assisted technology, these parts are designed to be precise, accurate, and reliable. Their superior quality and affordability make them a popular choice for many industries. Ywy CNC404 Brass Parts are available in a variety of sizes,

shapes, and dimensions to meet the needs of any project.

These CNC404 Brass Parts are designed to provide superior performance and durability for a variety of applications. From automotive and aerospace to medical and industrial, these parts are well-suited for a broad range of industries. Their high-grade brass construction ensures that these parts will meet the highest standards of quality and performance. With a fast delivery time of 7-15 days, Ywy CNC404 Brass Parts are the perfect solution for any project.

Customization:

CNC Brass Parts with Computer-Simulated Precision:

Brand Name: ywy

Model Number: cnc404

Place of Origin: Guangdong, Huizhou

Tolerance: $\pm 0.01\text{mm}$

Payment Terms: T/T, PayPal, Western Union

Application: Electronic Components

Processing Method: CNC Machining

Port: Shenzhen

High-Precision Computer-Operated CNC Brass Parts:

Our CNC Brass Parts are designed with precision and accuracy in mind. Utilizing the latest computer-operated CNC machining technology, our CNC Brass Parts are crafted to the highest tolerances of $\pm 0.01\text{mm}$. Perfect for electronic components, our CNC Brass Parts are ideal for a wide range of applications.

Computer-Driven CNC Machining for Maximum Flexibility:

Our CNC Brass Parts are computer-driven and can be quickly and easily adjusted to meet your exact specifications. With the flexibility of computer-driven CNC machining, you can be sure that your CNC Brass Parts will be tailored to your exact needs. From the port of Shenzhen, we provide fast and reliable shipping for your convenience.

Support and Services:

CNC Brass Parts technical support and service is available to ensure that your product is produced to the highest quality standards. Our team of experienced engineers and technicians is available to provide assistance with designing, prototyping, testing, and manufacturing CNC Brass Parts. We offer free technical support and troubleshooting services, as well as on-site consultations if needed. In addition, we provide a one-year warranty on all CNC Brass Parts.
