

Customized Brass CNC Machining Parts High Precision

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Supply_ability: 10000 Pieces/Month
- Color: Customized
- Dimension: Customized
- Material: Brass
- Application: Electronic Components
- Processing_method: CNC Machining
- Package: Standard Export Package
- Port: Shenzhen
- Highlight: **Customized Brass CNC Machining Parts, High Precision Brass CNC Machining Parts**

Product Description

Product Description:

CNC Brass Parts for Electronic Components

Our CNC-fabricated Brass Parts are designed for a wide range of electronic components applications. We use advanced CNC machining techniques to achieve precision and accuracy in our parts. Our Brass Parts are customized to your unique requirements and dimensions, and made from premium quality brass material. We also offer a standard export package for our CNC Brass Parts.

We provide a complete Computer-assisted Brass Parts solution for your electronic components needs. Our Computer-operated Brass Parts are ideal for applications that require superior accuracy and precision. From prototyping to production, our experienced engineers provide the highest quality CNC Brass Parts for a variety of applications.

If you are looking for a reliable and cost-effective CNC Brass Parts solution, then look no further. We are here to provide the perfect solution for your electronic components needs.

Features:

Product Name: **CNC-manufactured Brass Parts**

Material: **Brass**

Dimension: **Customized**

Weight: **Customized**

Application: **Electronic Components**

Payment Term: **T/T, PayPal, Western Union**

Technical Parameters:

| Attributes | Specifications |
|-------------------|--|
| Port | Shenzhen |
| Dimension | Customized |
| Application | Electronic Components |
| Payment Term | T/T, PayPal, Western Union |
| Color | Customized |
| Delivery Time | 7-15 Days |
| Surface Treatment | Polishing |
| Processing Method | CNC Machining |
| Weight | Customized |
| Package | Standard Export Package |
| Keywords | Computer-driven Brass Parts, Computer-operated Brass Parts, CNC-machined Brass Parts |

Applications:

YWY CNC Brass Parts are the perfect choice for customers who demand high precision parts and top-of-the-line quality. Our CNC-machined Brass Parts are manufactured with advanced computer-aided machinery, ensuring the utmost accuracy and precision. Our CNC Brass Parts are customized according to customer specifications and can be machined to exact tolerances of ± 0.01 mm. With a quick delivery of 7-15 days and weight customized to your needs, YWY CNC Brass Parts provide the perfect solution for electronic components and assemblies. Our computer-aided Brass Parts Manufacturing process ensures a perfect finish, with the choice of a variety of surface treatments, such as polishing, to ensure top-notch quality.

Customization:

Computer-driven Brass Parts Customization

Brand Name: ywy

Model Number: cnc404

Place of Origin: guangdonghuizhou

Delivery Time: 7-15 Days

Port: Shenzhen

Package: Standard Export Package

Surface Treatment: Polishing

Material: Brass

Support and Services:

We provide technical support and service for our CNC Brass Parts products. Our technical service team is available to answer any questions you may have and provide guidance on installation, maintenance, and repair of our products. We also offer troubleshooting assistance and can provide replacement parts if necessary. Our technical support staff is knowledgeable and experienced with CNC Brass Parts and can provide you with solutions to any issue you may be facing.
