

Customized CNC Turning Milling Parts OEM ODM Wooden Case

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Package: Carton, Wooden Case, Etc.
- Tolerance: $\pm 0.01\text{mm}$
- Application: Automotive, Aerospace, Etc.
- OEM/ODM: Accept
- Lead Time: 7-15 Days
- Processing Method: CNC Turning Milling
- Advantage: High Precision, Fast Delivery, Etc.
- Material: Stainless Steel, Aluminum, Brass, Etc.
- Highlight: **Customized CNC Turning Milling Parts, Aerospace CNC Turning Milling Parts**

Product Description

Product Description:

CNC Turning Milling Parts are custom-made products which are used in various industries, such as automotive and aerospace. They are manufactured and processed with CNC turning and milling technology, which is characterized by high precision and accuracy. We can offer various kinds of surface treatment, such as polishing, anodizing, zinc plating, etc. Moreover, OEM/ODM services are also available. Our CNC Turning Milling Parts are widely used in the automotive, aerospace, and other industries. With reliable quality and competitive price, our CNC Turning Milling Parts are highly praised by customers. We have strong capability to produce CNC Turning Machining Parts, CNC Milling Fabricated Parts, and CNC Turning Manufactured Parts.

Features:

Product Name: CNC Turning Milling Parts
Product Size: Customized
MOQ: 1 Piece
Processing Method: CNC Turning Milling
Surface Treatment: Polishing, Anodizing, Zinc Plating, Etc.
Application: Automotive, Aerospace, Etc.
CNC Milling Manufacturing Parts
CNC Milling Machining Parts
CNC Milling Manufactured Parts

Technical Parameters:

Attributes	Specifications
MOQ	1 Piece
OEM/ODM	Accept
Advantage	High Precision, Fast Delivery, Etc.
Package	Carton, Wooden Case, Etc.
Tolerance	$\pm 0.01\text{mm}$
Product Size	Customized
Application	Automotive, Aerospace, Etc.
Surface Treatment	Polishing, Anodizing, Zinc Plating, Etc.
Drawing Format	PDF, IGS, STP, DWG, Etc.
Material	Stainless Steel, Aluminum, Brass, Etc.
Product Type	CNC Milling Manufactured Parts, CNC Milling Fabricated Parts, CNC Milling Manufacturing Parts

Applications:

YWY CNC turning milling parts are used for various applications, with advantages such as high precision, fast delivery and more. The model number is cnc202 and it is made of stainless steel, aluminum, brass and other materials with a tolerance of $\pm 0.01\text{mm}$. YWY CNC turning process parts and CNC turning fabricated parts are widely used in different industries, such as automotive, machinery, medical and more. CNC Milling fabricated parts and CNC Milling process parts are also widely used in various industries due to their superior quality and accuracy. With a minimum order quantity of one piece, YWY CNC turning milling parts can be shipped via express, air or sea.

Customization:

We offer customized **CNC Turning Machining Parts** service with brand name **YWY**, model number **CNC202**, and place of origin **Guangdong, Huizhou**. The minimum order quantity is **1 Piece**. We can process the parts with **CNC Turning Milling** method. These parts are widely used in Automotive, Aerospace, and other industries. We accept various drawing formats like **PDF, IGS, STP, DWG**, etc. The lead time is **7-15 Days**.

Support and Services:

Technical Support and Service for CNC Turning Milling Parts

We provide comprehensive technical support and service for CNC Turning Milling Parts, including:

- Pre-sale consultation
- Design and development of customized parts
- In-process inspections and testing
- After-sale technical support
- Process optimization services

Our expert technical support team is available to answer any questions or provide solutions to any problems that may arise.
