

Precision CNC Machined Metal Parts Anodized Aluminum Steel Brass Components

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Size: Customized
- Lead Time: 7-15 Days
- Quality Control: 100% Inspection Before Shipment
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Packaging: Standard Export Carton Or Customized
- Material: Aluminum, Steel, Brass, Etc.
- Delivery Method: DHL, FedEx, UPS, Etc.
- Processing Method: CNC Machining, Turning, Milling, Etc.
- Highlight: **Brass CNC Machined Metal Parts,**
Aluminum CNC Machined Metal Parts,
Steel CNC Machined Metal Parts

Product Description

Product Description:

Whether you need numerically-controlled machining parts for the automotive industry, aerospace industry, medical industry, or any other industry, our CNC Machined Parts are sure to meet your needs. We offer a MOQ of only 1 piece, making it easy for you to get the exact number of parts you need.

At our company, we take quality control seriously. That's why we perform 100% inspection before shipment to ensure that each and every CNC Machined Part we produce meets our high standards. This means you can trust that our parts will perform as expected and last for a long time.

In addition to their precision and quality, our CNC Machined Parts are also available with a variety of surface treatments. We offer anodizing, plating, painting, and more, so you can choose the treatment that best fits your needs.

When it comes to delivery, we offer a range of options to ensure you get your CNC Machined Parts when you need them. We work with trusted carriers like DHL, FedEx, and UPS to provide fast and reliable shipping.

Overall, our CNC Machined Parts are an excellent choice for anyone in need of precision parts for a wide range of applications. With their advanced technology, high-quality materials, and customizable surface treatments, our CNC Machined Parts are sure to meet your needs.

Features:

Product Name: CNC Machined Parts

Material: Aluminum, Steel, Brass, Etc.

Quality Control: 100% Inspection Before Shipment

Drawing Format: PDF, DWG, IGS, STEP, Etc.

Processing Method: CNC Machining, Turning, Milling, Etc.

Tolerance: $\pm 0.01\text{mm}$

Computer-aided manufacturing parts

Computer-aided machining parts

Computer-controlled machining parts

Technical Parameters:

Quality Control	100% Inspection Before Shipment
OEM/ODM	Acceptable
Tolerance	$\pm 0.01\text{mm}$
Lead Time	7-15 Days
Delivery Method	DHL, FedEx, UPS, Etc.
Processing Method	CNC Machining, Turning, Milling, Etc.
Packaging	Standard Export Carton Or Customized
Size	Customized
Drawing Format	PDF, DWG, IGS, STEP, Etc.
MOQ	1 Piece

This product is a CNC-manufactured component, also known as Computerized Numerical Cutting parts or Computer-aided machining parts.

Applications:

Customization:

Our yuanwenyu brand offers custom CNC machined parts that are made of high-quality materials such as aluminum, steel, brass, and more. These computerized machining parts are manufactured using the latest numerically-controlled machining technology and computer-aided manufacturing processes to ensure precision and accuracy.

With a tolerance of $\pm 0.01\text{mm}$, our CNC machined parts are perfect for various industrial applications. They are available in different models such as 1X893, OEM, and are certified to meet the highest quality standards.

Our minimum order quantity is 50 pieces and the price ranges from \$2.35 to \$12.68 per piece. We package our products using EPE foam, anti-rust paper, stretch film, plastic bag +carton to ensure safe delivery.

We offer fast delivery times of 1 day and flexible payment terms to meet the needs of our customers. We can supply up to 1000000 Piece/Pieces per Month.

Our CNC machined parts are available in various surface treatments such as anodizing, plating, painting, and more. We accept different drawing formats such as PDF, DWG, IGS, STEP, and more. We package our products in standard export cartons or customized packaging as per the customer's requirements.

Support and Services:

Our CNC Machined Parts are backed by our expert technical support team that can assist you with any questions or issues you may have. We pride ourselves on providing excellent customer service. In addition, we offer a range of services to ensure that your CNC Machined Parts are installed and operating correctly, including:

Installation assistance

Maintenance and repair services

Training on proper usage and care

Customization options to fit your specific needs

Our goal is to ensure that our CNC Machined Parts meet your expectations and requirements, and we are committed to providing the highest quality products and services possible.

Packing and Shipping:

Product Packaging:

All CNC machined parts will be carefully packed in bubble wrap for protection.

The bubble-wrapped parts will then be placed in a sturdy cardboard box.

The box will be sealed with packing tape to ensure that the parts do not fall out during shipping.

The box will be labelled with the necessary shipping information.

Shipping:

We offer worldwide shipping for all CNC machined parts orders.

Shipping will be calculated based on the weight and destination of the package.

We use reliable shipping carriers to ensure that your package arrives safely and on time.

You will receive a tracking number once your package has been shipped.

Please allow 3-5 business days for processing and handling before your package is shipped.

FAQ:

Q: What is the brand name of the CNC Machined Parts product?

A: The brand name of the CNC Machined Parts product is yuanwenyu.

Q: What is the minimum order quantity for the CNC Machined Parts product?

A: The minimum order quantity for the CNC Machined Parts product is 50 pieces.

Q: What is the packaging detail for the CNC Machined Parts product?

A: The packaging detail for the CNC Machined Parts product includes EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton.

Q: What is the delivery time for the CNC Machined Parts product?

A: The delivery time for the CNC Machined Parts product is 1.

Q: What is the supply ability for the CNC Machined Parts product?

A: The supply ability for the CNC Machined Parts product is 1000000 Piece/Pieces per Month.
