

Customized Surface Treated Metal Machined Components Anodized Parts for CNC Machinery

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Material: Aluminum, Steel, Brass, Etc.
- Processing Method: CNC Machining, Turning, Milling, Etc.
- Application: Automotive, Aerospace, Medical, Etc.
- Delivery Method: DHL, FedEx, UPS, Etc.
- Tolerance: ± 0.01 mm
- Packaging: Standard Export Carton Or Customized
- Lead Time: 7-15 Days
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Highlight: **Anodized Metal Machined Components,
CNC Machinery Metal Machined Components,
Customized Metal Machined Components**

Product Description

Product Description:

We accept a variety of drawing formats, including PDF, DWG, IGS, STEP, and many others, so you can be sure that your parts will be manufactured exactly to your specifications. We also offer a wide range of materials to choose from, including aluminum, steel, brass, and more, so you can find the perfect material for your specific needs.

Our CNC Machined Parts have a minimum order quantity of just one piece, making it easy to order exactly what you need without having to worry about minimum order requirements. And with a lead time of just 7-15 days, you can receive your parts quickly and efficiently, so you can get back to work faster.

So if you're looking for computer-aided machining parts that are precise, reliable, and affordable, look no further than our CNC Machined Parts product line. With a wide range of materials, a low MOQ, and fast lead times, we're the perfect choice for all your computerized machining part needs.

Features:

Product Name: CNC Machined Parts

OEM/ODM: Acceptable

Material: Aluminum, Steel, Brass, Etc.

Application: Automotive, Aerospace, Medical, Etc.

Size: Customized

Packaging: Standard Export Carton Or Customized

Our CNC Machined Parts are computer-controlled machining parts that can be customized to fit your specific needs. We offer a variety of materials such as aluminum, steel, brass, etc. and our parts can be used in a variety of applications including automotive, aerospace, medical, etc. Our parts come in customized sizes and can be packaged in standard export cartons or customized to fit your unique requirements.

Technical Parameters:

Numerically-controlled Machining Parts	CNC-machined Components
Lead Time	7-15 Days
Material	Aluminum, Steel, Brass, Etc.
Application	Automotive, Aerospace, Medical, Etc.
Surface Treatment	Anodizing, Plating, Painting, Etc.
MOQ	1 Piece
Size	Customized
Quality Control	100% Inspection Before Shipment
OEM/ODM	Acceptable
Packaging	Standard Export Carton Or Customized
Tolerance	±0.01mm

Applications:

The CNC Machined Parts from Yuanwenyu are suitable for a wide range of applications. They are ideal for use in the aerospace, automotive, medical, and electronics industries, among others. These parts are designed to withstand high stress and pressure and offer excellent performance even in harsh environments.

The minimum order quantity for these CNC Machined Parts is 50 pieces, and the price range is between \$2.35 and \$12.68 per piece, making them a cost-effective solution for businesses of all sizes. The packaging details include EPE foam, anti-rust paper, stretch film, plastic bags, and cartons, ensuring that the components are protected during transportation.

The delivery time for the CNC Machined Parts is 1, and the payment terms are flexible to meet the needs of the customers. The supply ability is 1000000 Piece/Pieces per Month, ensuring that the customers' needs are met on time. The drawing format for these components includes PDF, DWG, IGS, STEP, and other formats.

The CNC Machined Parts are delivered through DHL, FedEx, UPS, and other reliable delivery methods. The packaging is done in a standard export carton or customized according to the customer's requirements. Quality control is of utmost importance to Yuanwenyu, and all components undergo 100% inspection before shipment to ensure their quality.

Yuanwenyu also offers OEM/ODM services for these CNC Machined Parts, allowing customers to customize the components according to their specific needs. These components are the perfect solution for businesses looking for high-quality, durable, and precise components for their projects.

Customization:

Our yuanwenyu brand offers product customization services for CNC machined parts, also known as computer-controlled machining

parts, computerized numerical cutting parts, or computerized machining parts. Our model numbers include 1X893 and OEM, and our products are made in Guangdong, China. We have certifications to ensure quality and our minimum order quantity is 50 pieces. Our prices range from \$2.35 to \$12.68 per piece, and our packaging details include EPE foam, anti-rust paper, stretch film, plastic bag + carton. Delivery time is 1 and we offer payment terms to suit your needs. We have a supply ability of 1000000 Piece/Pieces per Month, and our tolerances are ± 0.01 mm. Our materials include aluminum, steel, brass, and more. We deliver using DHL, FedEx, UPS, and other methods. Our MOQ is 1 piece, and lead time is 7-15 days.

Support and Services:

Our CNC Machined Parts product comes with comprehensive technical support and services to ensure that you get the most out of your purchase.

We offer:

- Expert guidance on installation and setup
- Assistance with troubleshooting and problem-solving
- Recommendations for maintenance and repairs
- Access to online resources and documentation
- Training and education on product usage and best practices

Our team of experienced technicians is available to assist you with any questions or issues you may encounter. We are committed to providing top-notch support and ensuring your satisfaction with our CNC Machined Parts product.
