

Custom CNC Machined Parts for Precise and Accurate Production Processes

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Tolerance: ± 0.01 mm
- Delivery Method: DHL, FedEx, UPS, Etc.
- Size: Customized
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Material: Aluminum, Steel, Brass, Etc.
- Quality Control: 100% Inspection Before Shipment
- Application: Automotive, Aerospace, Medical, Etc.
- Packaging: Standard Export Carton Or Customized
- Highlight: **Custom CNC Machined Parts,
Accurate CNC Machined Parts,
Precise CNC Machined Parts**

Product Description

Product Description:

We offer a variety of delivery methods, including DHL, FedEx, UPS, and more, so you can choose the one that works best for you. And with a lead time of just 7-15 days, you can get your parts quickly and start working on your project right away.

Whether you need OEM or ODM services, we can help. Our team of experts has years of experience in the industry and can help you design and manufacture the perfect CNC machined parts for your project. We'll work with you every step of the way to ensure that your parts meet your exact specifications and exceed your expectations.

Features:

Product Name: CNC Machined Parts

Material: Aluminum, Steel, Brass, Etc.

Packaging: Standard Export Carton Or Customized

MOQ: 10Piece

Tolerance: $\pm 0.01\text{mm}$

Drawing Format: PDF, DWG, IGS, STEP, Etc.

Computer-aided manufacturing parts

Computer-Numerically-Controlled parts

Computer-Numerically-Controlled parts

Technical Parameters:

Product Name	Computerized Numerical Cutting parts
Quality Control	100% Inspection Before Shipment
Packaging	Standard Export Carton Or Customized
Application	Automotive, Aerospace, Medical, Etc.
Surface Treatment	Anodizing, Plating, Painting, Etc.
Size	Customized
Processing Method	CNC Machining, Turning, Milling, Etc.
Drawing Format	PDF, DWG, IGS, STEP, Etc.
OEM/ODM	Acceptable
MOQ	10 Piece
Delivery Method	DHL, FedEx, UPS, Etc.

Applications:

Our CNC machined parts are suitable for a wide range of product application occasions and scenarios. They are commonly used in the automotive industry, aerospace industry, medical equipment industry, and electronics industry. These parts are widely used in the production of engine parts, transmission components, valves, pumps, and other mechanical parts. They can also be used to create precision parts for surgical instruments and electronic devices.

Our CNC machined parts are made to last and are designed to meet your specific needs. We offer a minimum order quantity of 50 pieces and our prices range from \$2.35 to \$12.68 per piece. Our packaging details include EPE foam, anti-rust paper, stretch film, and plastic bags, along with standard export cartons or customized packaging. We provide fast delivery times of 1 to 7-15 days and have flexible payment terms to suit your needs.

Our CNC machined parts are available in various sizes and can be made to fit your specific drawing format, which includes PDF, DWG, IGS, STEP, and more. We have a supply ability of 1000000 Piece/Pieces per Month with a MOQ of just 10 pieces, making us a flexible and reliable partner for your manufacturing needs. Contact us today to learn more about our high-quality CNC machined parts and how we can help you with your project.

Customization:

yuanwenyu, offers Computerized Numerical Cutting parts, including our **1X893** model and OEM options. These CNC-manufactured components are made in Guangdong, China and come with certification. Our minimum order quantity is **50 pieces**, with prices ranging from **\$2.35 - \$12.68/piece**. Our packaging includes EPE foam, anti-rust paper, stretch film, and plastic bags with cartons. Delivery time and payment terms can be arranged to fit your needs. We have a supply ability of **1000000 Piece/Pieces per Month**, and our processing method includes CNC machining, turning, milling, and more. Our MOQ is **10 pieces**, with a tolerance of $\pm 0.01\text{mm}$. We offer standard export carton packaging or

customized options. Drawing formats include PDF, DWG, IGS, STEP, and more.

Support and Services:

Our CNC Machined Parts product comes with comprehensive technical support and services to ensure optimal performance and longevity. Our team of experienced engineers and technicians are available to provide assistance with installation, maintenance, and troubleshooting, as well as offer recommendations for upgrades and improvements. Additionally, we offer training sessions to ensure that our customers are able to operate and maintain their equipment with confidence. Our goal is to provide exceptional service and support to our customers throughout the lifespan of their CNC Machined Parts product.

Packing and Shipping:

Product Packaging:

Our CNC Machined Parts are carefully packaged to ensure they arrive at your doorstep in perfect condition. Each part is individually wrapped to prevent any scratches or damage during transportation.

Shipping:

We offer worldwide shipping for our CNC Machined Parts. Shipping times may vary depending on your location, but we strive to deliver your order as quickly as possible. All orders are shipped via reputable couriers to ensure safe and timely delivery.

FAQ:

Q1: What is the brand name of the CNC machined parts?

A1: The brand name is yuanwenyu.

Q2: What is the minimum order quantity for this product?

A2: The minimum order quantity is 50 pieces.

Q3: What is the price range for the CNC machined parts?

A3: The price range is between \$2.35 to \$12.68 per piece.

Q4: What are the packaging details for this product?

A4: The packaging details include EPE foam, anti-rust paper, stretch film, plastic bag, and carton.

Q5: What is the delivery time for the CNC machined parts?

A5: The delivery time is dependent on the quantity ordered and the destination. Please contact us for more information.
